GOVERNOR - LAURIE FRASER'S MESSAGE

Hello fellow Pilots! I am looking forward to this next year

As Pilots In Action!

There is no limit to what we can do when we work together as a team to make a difference in our communities throughout the Alabama District. I humbly thank you for the opportunity to serve as your District Governor.

The Pilot International Convention is upon us, and we have a lot of business to conduct at this one. There will be election of officers and voting on proposed bylaw changes. Also, you will see a change in the Governors Bulletin. We are making an effort to provide useful information in a new, shorter format through the use of links and more concise articles. I hope you will like what you see. Feedback is welcomed.

Enjoy the rest of July - get those plans in place for a successful Pilot year, and let's work together as Pilots In Action!

GOVERNOR-ELECT – LISA PATTERSON

Greetings Alabama District Pilots,
I love being a Pilot and I'm honored to once again serve our beloved district as your Governor-Elect. Thank you for the opportunity.

The 2024-25 DAC has already been hard at work and excited for the training we will receive at Council of Leaders in Denver.

The DAC, Pilot International Officers and PI Power Hour are held via ZOOM. Guess what the Alabama District also has? That's right, the **Alabama District has a ZOOM account** and would like to use it to benefit Alabama Pilots by offering training in subjects that Alabama Pilots need. Subjects will include club and district officer training to anyone interested in learning what their office or job entails or what serving as an officer at the District level involves, plus any other Pilot subject you have an interest in learning more about. Please let me know what subject you need and/or would like addressed. I look forward to hearing from you soon.

Yours in Pilot Service,

Lisa

TREASURER - KAY CHANDLER

It's that time of year again---time to start an exciting new Pilot Year! We are all working on our "**Plans of Work**", which includes our Budget, Fundraisers, and Projects. Look at your Club Standing Rules, the District Standing Rules, and Pilot International Bylaws to determine exactly what you need to put in your Budget. Some items you may need to include are Delegates to District Convention and Pilot International Convention; Projects for your club; District Project such as TBI Camperships, and donations to reach our goal of providing mattresses for Camp ASCCA; monthly "Pick Me Up Projects"; and of course, fundraisers. Try something different this year or continue with your successful fundraisers. And of course, we need to plan for "Membership Growth", a very important item for your club and our District. Also, don't forget to have fun! A reminder that its's time to send in your 24-25 District dues. Remember, District Dues are \$25.00 this year. You can find the proper form on our District Web Page, www.alabamadistrictpilot.com .

It's going to be an exciting year with Governor Laurie leading us in "Pilots in Action". If I can help, please feel free to contact me at misskay311@aol.com or 256-214-8551.

SECRETARY - MOLLIE RILEY

Hello, My Pilot Family!

I hope everyone is having a wonderful summer. I know all new club officers are in place and have hit the ground running. Could each club send me their secretary's name and contact info for this year? I have something in mind for the club secretary to do. You can email me at mollieriley0452@gmail.com or text me at 334-850-5951.

Now, let's give a **Big Shout-Out** to the **Pilot Club of Troy** for their Share Pilot program in June. Those ladies put their Hearts and Souls into this program and made sure they had plenty of information about our mission. Also, a **Big Shout-Out** to the **Pilot Club of Enterprise** for coming to Troy, sharing their testimonials, and showing their support. There was **Love, Friendship, Service,** and The Power of **Pilots in Action!** This was a beautiful moment that genuinely showcased the unity among our Pilot clubs. Goodness, I still get chills thinking about that moment. Gosh, I love being a Pilot!

If you are having a Share Pilot program, please let the DAC know and we will spread the word.

Hugs with Pilot Love,

Mollie Riley

PARLIAMENTARIAN – BEVERLY WILKERSON

After serving as District Governor 2017-18 & 2021-22, I am so looking forward to now serving as District Parliamentarian. I learned from Past Governor & Parliamentarian Lorraine Banning the following: **Parliamentary Procedures** are not just a list of rules but a guide to ensure the effective and efficient conduct of meetings.

The basic principles are:

- You need someone to lead/ facilitate the meeting to keep order.
- All members have the right to speak.
- An agreement must be reached.
- Understand: The majority rules but the minority is always protected by the right to speak and vote.

Please purchase a copy of Robert's Rules of Order and do not be afraid to pick up also Robert's Rules for Dummies for easier reading and understanding. If you have any questions, please do not hesitate to contact me. I will be happy to help!

This year we are asking Clubs to only donate 10 door prizes for bingo—valued at \$5-10 dollars each, so start collecting!! We need your help that weekend too!! Come be a part of TBI Camp!!! Lots more good news about camp will be coming in the months ahead!!
