District Governor Janice Clark

Issue 10

April! Signs of a new beginning are popping out all over. So thankful we have four seasons to experience God's beauty.

This time is also a busy time in the Alabama District. The Anchor Convention was held Saturday, March 6th. There was great attendance, great speakers, and many awards. Congratulations to the awards winners. Also, Best Wishes to the incoming DAAC for 2021-2022. February 25, two new Anchors clubs were chartered, Hope United Academy in Madison and Jasper High School. Best Wishes to these young leaders and their sponsors, Pilot Club of Huntsville, and Pilot Club of Jasper, respectfully.

TBI Camp is next! April 9-11. Plans are underway for a great weekend at Camp ASCCA. It will be great to be "Together Again". April 24 will be our virtual District Convention! Club Watch parties are encouraged. An agenda and Zoom invite with instructions will be sent out closer to the date. Please mark the date and time on the calendar. I know many have Zoom fatigue, but hopefully we will be back to normal in a few months.

The nominating committee has provided a list of qualified candidates for 2021-2022 to serve alongside Beverly Wilkerson as Governor. The nominees are Sabine Wlodarski, Governor-Elect, Pilot Luncheon Club of Morgan County and Claire Plott, Treasurer from Pilot Club of Lee County. We will have an election for the office of District Secretary between Maria Traylor, Pilot Club of Lee County and Shauna Robertson, Pilot Club of Andalusia. The election will be held via email with ballots being mailed to the club delegates. The nominee's information, District Project and budget were sent out on March 17. Many thanks go to Benny Jo Cockrell, Sherre McGinnis and Carolyn Williams for their willingness to serve on this committee. Great job Ladies!

We have a few more days for the "100 for 100" Membership drive. Now is the time to join Pilot. We need members!!! Be a sponsor and mentor to someone who would be a great Pilot.

I hope many of you are starting to meet again and electing officers for 21-22. Remember to send in your club officer information to Pilot International by May 1. Always "Shine Your Light for Pilot"!

Spring has sprung! Aren't we glad! It is a time for new beginnings. And so it goes with Pilot; we will be voting on a new budget, projects and a slate of new officers.

I hope you are all preparing to attend our virtual district convention. The Anchors had their virtual convention and seemed to enjoy it. Maybe your clubs can have watch parties and be together for the convention. Help those who aren't as Zoom savvy.

Executive Committee Representative (ECR)

Barbara Crow

HELLO, SPRING! Penelope Trunk said, “Spring is a time to find out where you are, who you are, and move toward where you are going.” Focusing on this thought-we are Pilots looking for outlets to share Friendship and Service in our community and the world. We have so many opportunities coming up to “Share Pilot” with the world and move forward with our Pilot Goals.

Our Pilot Centennial – Celebrating 100 years of Friendship and Service! Registration has begun for our International Convention and Leadership Conference scheduled for July 7 – 10, 2021, in Beautiful Atlanta. The Atlanta Marriott Marquis Hotel will be our host hotel, and our 100 Year Committee has planned excursions, exhibits, and events that will make everyone SMILE. LAUGH and LOVE to be a PILOT! Bring your camera to capture all the memories of this once-in-a-lifetime event! Visit <https://www.pilotinternational.org/convention/> for more information.

President John F. Kennedy said, “We must find the time to stop and thank the people who make a difference in our lives.” What better way to recognize those who go above and beyond than with an ANCHOR AWARD? You could acknowledge your fantastic advisor, your phenomenal Anchor Club, outstanding members, and your sponsoring Pilot Club or member. Anchor Award Recognition is a beautiful way to tell someone “job well done” and to encourage other outstanding Anchors. Remember, for a club to be eligible for awards, the club must be active and in good financial standing, having paid dues for all members for the current year [from the Anchor website]. Visit <http://www.anchorclubintl.org/awards> for deadlines, requirements, and award applications. We can’t wait to announce our Anchor Award winners in Atlanta!

Pilot Friends, this is a call for you to recognize the GREAT things in your clubs and districts! Bruce Lee said, “Give recognition where it is due. Compliments stimulate more effort and desire to improve. Be generous with honest praising.” Our Beloved Code of Ethics tells us “to be slow of criticism and quick with praise.” Where do YOU see a praiseworthy Pilot, Pilot Club, or District? Outstanding service? Exceptional visibility? Fun and engaging BrainMinders™ presentations? Innovative Pick-Me-Up project? Exemplary leaders? There’s an award for that! Visit <https://www.pilotinternational.org/member-resource-category/pilot-awards/> for deadlines, requirements, and award applications. We are so excited about announcing our Pilot Award Winners in Atlanta as part of our Centennial Celebration! We are excited about the International Convention and Leadership Conference because it will be an opportunity for “face-to-face” Pilot interaction! We are excited about the events that will happen – some old, some new! We are excited about celebrating 100 years of worldwide community service and unparalleled friendship! We are excited about the recognition and awards that YOU will be receiving in Atlanta!

Remember, “A person who feels appreciated will always do more than what is expected.” Your gratitude and appreciation will help Pilots Do More, Be More, and Care More! When one of us soars, we all soar! Let Pilot Be the One to Guide You!

Barbara

TOGETHER AGAIN AT CAMP ASCCA

Eighteen Campers and Caregivers, over 50 Pilots, Compass Members and Anchors will be heading out to Camp ASCCA for our 2021 TBI Camp about the time you are reading this. The Camp ASCCA staff is ready!!! We have crafts, we have bingo, we have our Sammie Hill doing a Singing/Story Telling, Mollie Riley is doing Scrapbooking, Nancy Bullard is doing crafts, Janice Clark has her “talent” ready for Friday night, the Staff at Camp ASCCA is ready with Camp activities, Pilot Club of Lee County has back packs ready to be packed, and who knows what I’ll be doing but I’ll have my walking shoes on!! Alabama Pilots have sent snacks, bingo prizes and donations of bunches of necessary items for camp. The Compass Club of Troy University and Hokes Bluff Anchors will be there all weekend. Shirts are ordered! Banners, name tags and door signs are made! So off we go “Together Again” at Camp ASCCA!

Please remember TBI Camp in your 2021-2022 Budget for next year. We are using funds from our Money Market and our PIFF Grant for Camp this year, but we will begin the process again of fundraising in July. Begin now going out and looking for Corporate Sponsors. Mellissa King can help you with a plan to do this. She’s the expert there! A date will be announced soon for camp in 2022. Hopefully Covid will be completely under control and we can have our 25 Campers and Caregivers and as many Pilots/Anchors/Compass Members who want to come. We will also need lots of workers!! TBI Camp is a lot more than just giving money, it’s all of us coming together to provide this opportunity for those recovering from traumatic brain injuries. If you have never been to camp, mark your calendar for 2022 and make that your New Year’s resolution! Alabama District TBI Camp 2022. Ten years of Camps, so let’s make #11 the BEST EVER. Alabama Pilots are awesome, wonderful, and special! We say “Thank You Alabama Pilots” for this wonderful camp experience for many, many Campers! And LET’S DO IT AGAIN”!!!

PILOT CLUBS AND INDIVIDUALS ARE
ENCOURAGED TO JOIN IN THE EFFORT
TO TOUCH 1000 LIVES AT
CONVENTION IN ATLANTA!

PILOT INTERNATIONAL

Influencing positive change in communities throughout the world

The focus of our International Service Project is to Touch at Least 1,000 Lives. This project was chosen to align with the original service project for Bibb County Schools by the first established Pilot Club of Macon, Georgia.

Once again, Pilots will help the Bibb County School District...this time, by providing needed school supplies for children in the district.

PI President Peggy Benton, PI Convention Chair Judy Langley, and Hundredth Anniversary Committee Chair Laura Keever met with Bibb Co. School District Communications Director Jeremy Timmerman and Senior Manager of Office Depot Richard Allen.

Together, we worked out the logistics of purchasing the school supply items in bulk, having them boxed and stored, and for Pilots to assist in the delivery of the items to the schools at the beginning of the school year 2021-2022.

Richard Allen from Office Depot will be at convention to help us present a box of supplies to the Superintendent of Bibb County Schools.

We are asking Pilot Clubs and individuals to contribute \$50 to provide supplies for a classroom. You may choose to provide supplies for more than one classroom, of course. Checks may be sent to PI and earmarked "Service Project."

We plan to include a list of all classroom service project contributors in the Convention Program.

Just as we ask Pilot Clubs and individuals to Touch 1000 Lives at the International Convention, we also ask all Pilot Clubs and Districts to Touch 100 Lives during the 2021-2022 Pilot Year.

In celebration of Pilot International's 100th Anniversary, during the 2021-2022 Pilot year, we challenge each Pilot Club and District to

Touch 100 Lives

What will your Pilot Club or District do to *Touch 100 Lives*? Below you will find a few suggestions...

Press Release:

**The Pilot Club/District of _____ Celebrates Pilot International's
100th Anniversary by Touching 100 Lives**

The Pilot Club/District of _____ has been in existence since _____, but in the year 2021, Pilot International is reaching the milestone of 100 years of friendship and service in clubs and countries in America and around the world.

Pilot International was chartered on October 18, 1921 in Macon, Georgia, U.S.A. by Elizabeth Leonard and forty local businesswomen. The name "Pilot" was inspired by the mighty riverboat pilots of that day who represented leadership and guidance.

Pilot Principles: Friendship and Service

Motto: "True Course Ever"

Colors: Green (life and vigor) and Gold (sincerity of purpose)

Emblem: A riverboat pilot's wheel with eight spokes

First Pilot President: Lucy B. Allen, elected at the organization's first convention in 1922.

Ruby Newhall, President of Pilot International in 1949, was instrumental in establishing Anchor Clubs, Pilot's youth service organization arm. We have recently re-established Compass Clubs for college-age students.

Pilot International Foundation (now the Pilot International Founders Fund) was established in 1975 to further Pilot's humanitarian efforts. Since the Pilot International Founders Fund grant program began in 1977, nearly 1,500 grants totaling more than \$1.5 million have been disbursed to Pilot Clubs to assist with service projects in their communities.

Pilot International's mission is to influence positive change in communities throughout the world. To do this, we come together in friendship and service, focusing on encouraging brain safety and health and supporting those who care for others.

A grand celebration will take place at the Pilot International Annual Convention Leadership on July 7-10, 2021 in Atlanta, Georgia; however, the Pilot Club/District of _____ recently celebrated this 100-year milestone on a local level by Touching 100 Lives in their local community. We

_____. *(describe activity)*

For more information about the Pilot Club/District of _____, please visit our website at _____; or contact _____ at _____. We are currently seeking new members who wish to join a great organization of friendship and service to make an impact not only in their local community, but also in the world. CLUB AND INTERNATIONAL HIGHLIGHTS

Luncheon Pilot Club of Enterprise (LPCE)

Jacque Hawkins, Publicity Chair

The Luncheon Pilot Club of Enterprise held its annual Radio Day fundraiser on WVVL-FM (Weevil 101). The Luncheon Pilot Club is part of the International Pilot Organization whose main emphasis is on helping people affected by brain related disorders.

Wiregrass merchants have once again shown their support for this major fundraiser by sponsoring radio ads that were read over the air by Pilot Club Members. This major fund raiser for the club was able to collect over \$8,000. These funds will be donated back to the Enterprise community in support of worthwhile projects to include Habitat for Humanity, Special Olympics, Banana Bingo at Enterprise Health Center, Wiregrass Wounded Veterans Committee, Disable American Veterans Transportation, Family Services, Hand Up Enterprise, Enterprise Retirement Center Christmas Project, Christmas Party for Special Needs Individuals, Coffee County Arts Alliance and other deserving community projects.

Project Lifesaver, which is funded by LPCE, is managed by Tom Iton of the Coffee County Sheriff's Office. Locator bracelets are purchased and placed on individuals with Alzheimer's or on individuals who are autistic and have a tendency to wander. When a caregiver notifies the Sheriff's Office that the individual has wandered off, they are able to track them by the bracelet, often saving lives. Fourteen individuals in Coffee County are being monitored by the Sheriff's Department and each bracelet is checked monthly to replace batteries.

Each year club members strive to conduct an educational program for second-graders in the five elementary schools in Enterprise titled, "Brain Minders - Protecting your Brain for Life", which impacts the lives of more than 650 students. The name Pilot is sometimes confusing to individuals who are not aware of what we do. We say, "We are ladies who do not fly planes, but we educate about brains."

Luncheon Pilot Club of Enterprise (LPCE)

Jacque Hawkins, Publicity Chair

The Luncheon Pilot Club of Enterprise participated in the annual "E" Day of Service by delivering baked goods to Enterprise Rescue. Enterprise Rescue has approximately 20 personnel and the Luncheon Pilots choose March 16th to honor them at the same time the monthly Pilot Club meeting was to be held. At the event were (from left, front) Jane Baxley, Sandra Phillips, Carol Bass, LPCE President Debbie Godfrey, Bonnie Gilmore and Gina Oates. Back row from left Hallie Booth, Hayes Scarborough, Christa Hirschey, Pat Green, Laurie Conley, Zac Lattimore, Elizabeth Armstrong, Julie Mills (Pilot guest), Debbie Shelton, Caroline Gebhart, Fran Walters, Leslie Adams, Daniel Terry, Taylor Dormney, Cindy Campbell, Gavin Cormish, Donald Bradley, Arnold Woodham and Jacque Hawkins.

Pilot Luncheon Club of Morgan County

Debbie Froscello, Publicity Chair

The Pilot Luncheon Club of Morgan County presented their Anchor Club a check for over \$400.00 last month. They also gave each member a Valentine's Day treat. This money will be used for the Anchor Club's service projects throughout the community.

Established in 1952 in Georgia, Anchor Clubs are over 200 strong with over 7,000 youth members nationwide. This organization, through youth volunteers, provides their communities with projects that are brain related such as Autism, Alzheimer's disease and Traumatic Brain Injuries.

The Pilot Luncheon Club of Morgan County gathered together to make sensory boards to be presented to area schools. On March 8th, boards were presented to Crestline Elementary School of Hartselle.
