District Governor

Sabine Wlodarski

Thank you for the honor of being your District Governor for 2022-2023. The District Administrative Council (DAC) and I enjoyed the Pilot International Convention in Rochester, New York. It was a busy two days at the Council of Leaders workshops prior to the convention. I attended my first International Administrative Council meeting. The opening ceremony is always an event not to be missed. The business sessions were handled smoothly. We had dynamic speakers. The highlight of course is the Installation banquet where the Executive Council was installed. We have elected a great group to lead and guide us for the next year.

Our Executive Council Representative (ECR) is Joseph Cunningham. I look forward to getting to know him and his visit with us at District Convention. We will introduce him in the next Governor's Bulletin.

I am looking forward to my club visits. I will be visiting: Dothan, Gadsden, Heflin, Andalusia and Roanoke. I hope you are making your plans for the year. I look forward to hearing of your successes.

Thank you for all you do for your community and Pilot.

In Pilot friendship and service,

Sabine

Governor Elect

Karene Henson

“The Sounds of Pilot” are all around us. This truly was evident at the 2022 Pilot International Annual Convention and Leadership Conference in Rochester, New York. Thank you for the privilege of attending as your 2022-2023 Governor Elect. PI President Rhona Espinoza challenged us to spread Pilot Sunshine. I am excited about the possibilities for this new year in Alabama District.

Club presidents, please remember to send your updated club rosters to me by July 31. Please send in WORD format to Karene at rkchenson@outlook.com We want all of the Alabama District to stay connected and we can begin to do this through our updated District Directory on our website.

I look forward to visiting the clubs of Huntsville, Jasper, Tuscaloosa, Decatur and Luncheon Club of Morgan County. I will soon be sending out the official letter which will list the information that I need from your club to make this visit profitable for all of us.

In Pilot friendship,

Karene

Treasurer

Maria Traylor

Happy New Pilot Year! Thank you for allowing me to serve as your 2022-2023 Alabama District Treasurer. Governor Sabine, Governor-Elect Karene, Secretary Pam and I are all looking forward to a very productive Pilot year! We have quite a few ideas garnered from the PI convention in Rochester.

District dues (\$20 per member) were due by July 1. The dues remittal form was sent by Past-Governor Beverly to club presidents and is also on the Alabama District website. If you have not already done so, please remit your district dues and the completed dues remittal form to me as soon as possible. New member information and membership changes should also be sent to me using the appropriate form as soon as the new member is installed or the membership change takes effect. If you are sending donations to CARE, Camp ASCCA, TBI Camp, etc., there is a contribution form on the district website that should accompany your check.

I am looking forward to visiting the Demopolis, Enterprise, Luncheon Enterprise, and Troy clubs this year!

Love in Pilot,

Maria

District Secretary

Pam Langhout

Listen closely, my friends! Friendship and Service – The Sounds of Pilot are all around us. I'm so excited about what this year will mean to Pilot. I am so honored to be chosen by you to represent you this year and attend the PI Intentional Conference in Rochester, New York.

If you missed the conference, you missed a wonderful time. Looking forward to seeing everyone at Fall Council. Start planning to attend all the future Conventions, Fall Council, and TBI Camp. WE always learn something new and have a wonderful time in fellowship. It lets us bloom where we are planted.

I look forward to visiting the following clubs this year: PC of Lee County, PC of Prattville, PC of Cullman and PC of Florence. I will soon be sending out the official letter which will list the information that I need from your club to make this visit profitable for all of us.

In Pilot Service,

Pam

Governor Sabine's logo for this Pilot year, "Friendship and Service, the Sounds of Pilot", brought to mind the sounds of cheering for newly elected leaders on the Anchor, Compass, Club, District, and International levels. Congratulations to all!

Other sounds we'll hear are club members saying, "YES, I'll be glad to head up that division or serve on that committee". Each of us has been given different gifts and talents that we can put to good use as we serve others through our club projects. The time you give and the hearts and lives you'll bless are true gifts from God.

"Put on a heart of compassion, kindness, humility, gentleness and patience. Beyond all these things put on love, which is the perfect bond of unity". Colossians 3:12-14 (NASB).

The following are in our thoughts and prayers:

- Pam Langhout, District Secretary, from Pilot Luncheon Club of Morgan County, is healing from a detached retina. Our prayers are for continued healing.
- Lorraine Banning, Past District Governor, Pilot Club of Florence, has finished eight rounds of chemo. Reports are that the cancer is receding. She is spending some time in Atlanta with her daughter Kathryn, to rest and gain strength before additional chemo. Caring and encouraging cards may be sent to 101 Laurel Lane, Florence, AL 35633.

I look forward to hearing from each club about cares, concerns, and prayers answered.

In Pilot love and friendship,

Sherre McGinnis
